**WARNING**

- Individuals who use implantable pacemakers or implantable cardioverter-defibrillators should keep away from the transmitting antenna of keyless operation system. The electromagnetic waves used in the keyless operation system may affect the operation of implantable pacemakers or implantable cardioverter-defibrillators.
- Individuals using other electro-medical apparatuses should check with the manufacturer of the apparatus to confirm the effect of the electromagnetic waves used by the keyless operation system, as the electromagnetic waves may affect their operations.
